### THE DEEP QUEUE - EPISODE #3: ETHICAL ADMINISTRATION

September 29th, 2008 by T.Rob Respond

In this episode of The Deep Queue I propose something I'm calling "ethical administration". Most people have heard of ethical hacking - doing what the bad guys do on behalf of and in cooperation with the good guys. Ethical administration as I have imagined it is acting like the good guys on behalf of the good guys in spite of their failure to act or commit resources.
